Trevor Lobb

Richard Stacy

Shayne Abernethy

There has been a lot happening at the Race Club over the past few months and I will endeavour to update you briefly on all the news.

Firstly I am delighted to inform you that Racing NSW has reappointed the following Directors for a period of two years, Ken Ikin, Kathryn Pengilley, Michele Costello and newly appointed Director Trevor Lobb. Trevor is regarded as one of Australian thoroughbred industry's most prominent identities and we are honoured to have him on the Board. I am also pleased to inform you that at the Club's Annual General Meeting Richard Stacey and Shayne Abernethy were also appointed Directors and bring a wealth of racing experience to the Club. Ken Ikin has been re-elected President and Kathryn Pengilley was elected Vice President.

Sadly we have received resignations from Directors Frank Downing and Colleen Goth. After 25 years Frank has decided to retire but will still be assistant judge on race days. Colleen has resigned from the Board due to work commitments and time restraints with her new career path. I sincerely thank both Frank and Colleen for their long term commitment and support over the years and wish them well in their future endeavours.

The biggest country racing road show came to Goulburn on Saturday 24th February when the Race Club with Racing NSW hosted Heat 2 of the Country Racing Championships Qualifying Series. The feature race was dominated by local prodigious Danny Williams stable with its talented winning galloper Kopi Luwak ridden by Mitchell Bell, Pumpkin Pie was second and Acquittal third giving Danny Williams the trifecta.

I invite you to come and enjoy our wonderful facility, and what we have to offer in hospitality and experience exciting Winter racing!

Something New

The Club is introducing a new point of sale terminal (cash registers) at both bars over the coming months. If you don't wish to carry cash, this means that you will just need to swipe your eftpos card when purchasing your drinks at the bar. Your renewal membership card will now have a barcode on the reverse side. When we run members' promotions or you redeem your complimentary drink on a weekday, we will simply scan your membership card
